

MODULE 4

SCHOOL FINANCE FOR NON-FINANCE

School Finance can be one of the most challenging role especially for principals because for many it is an area in which they have little or no training or expertise. This course is designed to equip you, regardless of your background in finance, with the foundational knowledge and practical skills necessary to understand school finance. You will gain insights into the budgeting process and learn about the financial challenges faced by schools today and explore strategies for maximizing resources and achieving financial sustainability.

Objective

Upon the completion of this two-day training, participants are expected to:

- Do budget plan effectively.
- Have practical experience in managing cash flow.
- Better check income and expense statements of your school.

*The executive certificate course in **School Finance for Non-Finance** is offered approximately **16 hours OR 2-days**. The course is based on a participatory, active learning approach, group discussions by an Action Guide for Financial Management Skills; Ms. Pich Rathmony. Participants will receive a **certificate** of participation upon completion of the course.*
